HIGHER EDUCATION AWAITS YOU!

ENGLISH FOR ACADEMIC PATHWAYS (EAP) has been redeveloped to meet the needs of students with different work schedules and time zones.

The EAP Program prepares GV Pathway students to succeed at a Canadian or other English-speaking high school, college or university. Students will strengthen their academic reading and writing skills, as well as their English communication skills - especially in speaking and listening.

Visit our GV Pathway Brochure on gvenglish.com for a list of all high school, college and university Pathway Partners in Canada.

CHOOSE THE SCHEDULE WHICH IS RIGHT FOR YOU!

We realize that in today's world, one schedule does not fit everyone's life.

1. If you are working during the day, then choose **EAP-15** so you can study in the evenings.
2. If you are able to devote yourself to full-time studies, then choose **EAP-30**.

Completion of these Academic English courses will give you the confidence and skills to help you achieve your higher education goals.

ENTRANCE LEVEL: Intermediate & Advanced EAP Available

The total length of studies depends on a student's entrance level as well as final goal, independent effort and attendance.

"I really appreciate that GV Victoria has helped me improve not only my academic English skills, but also communication, presentation and skills I now need in college. I often recall moments with my classmates and teachers, learning a new expression or grammar point that are now needed. I love Victoria and its people. GV is the best place and has allowed my life to change in many ways."
